### Continuing Education Units

One CEU is equal to 10 contact hours of participation in an organized continuing education experience under responsible sponsorship, capable direction and qualified instruction. In no instance should the award of CEU be equated with college credit applicable toward a degree.

### Certificates

Certificates of completion are issued at the last class to those meeting attendance and/or grade requirements.

### Hazlewood Act

Hazlewood students are exempt from tuition payment in non-credit courses but must pay their own fees. The published cost for non-credit courses includes both the tuition and the fees. The exact breakdown may be obtained at the time of registration or by calling the continuing education office.

## Family Rights and Privacy Act

In compliance with the Family Educational Rights and Privacy Act of 1976, (P.L. 93-380, section 513), as amended (P.L. 93-568, section 2), information classified as "Directory Information" may be released to the general public without the consent of the student.

Tyler Junior College hereby designates the following student information as public or Directory Information: Name, address, telephone number, dates of attendance, class, previous institution(s) attended, major field of study, awards, honors (includes Dean's list), degree(s) conferred (including dates), past and present participation in officially recognized sports and activities, physical factors (height, weight of athletes), date and place of birth.

A student may request that the above Directory Information be withheld from the public by making written request to the registrar's office during the first 12 days of class of a fall or spring semester or during the first four days of a summer session. If no request is filed, information will be released upon inquiry. A new form for nondisclosure must be completed every fall, spring and summer session term enrolled. Tyler Junior College assumes that failure on the part of any student to specifically request the withholding of Directory Information indicates individual approval for disclosure.

This schedule of classes is subject to change, including assignment of instructors and class locations.

Tyler Junior College gives equal consideration of all applicants for admission without regard to race, creed, color, national origin, sex, age, marital status or physical handicap.
